Rule 2(e) of the Rules Governing Section 2254 Cases in the United States District Courts states: “A petitioner who seeks relief from judgments of more than one state court must file a separate petition covering the judgment or judgments of each court.”

Therefore, Petitioner must start over. In this case (4:18CV3009) he must file an amended petition attacking only one state case. He can choose either case. He may at the same time file a second separate petition attacking the other state case. Since he has been allowed to proceed in forma pauperis here, he will be allowed to proceed in forma pauperis when he files the new habeas case.

IT IS ORDERED that:

1. Petitioner shall file an amended petition in this case attacking only one of the separate state convictions and he shall file a new petition in a separate federal case attacking the other separate state conviction. Each petition should attack only one of the state convictions.
2. Petitioner is allowed to proceed in forma pauperis in both federal cases—this one and the new case yet to be filed.
3. Petitioner must file the amended petition in this case and the new petition no later than March 6, 2018. That means the documents must be received by the Clerk of Court on or before that date and the prison mail box rule will not otherwise apply.
4. The Clerk shall mail two copies of the habeas corpus petition forms to the Petitioner.
5. My chambers shall call this matter to my attention on March 7, 2018.

DATED this 5<sup>th</sup> day of February, 2018.

BY THE COURT:

Senior United States District Judge
